Working at present June 1916

AGREEMENT

This Agreement, Made this 20 day of July 1917

by and between the TWIN FALLS CANAL COMPANY, an Idaho corporation,
party of the first part, and A. M. Thrift

party of the second part, witnesseth:

Whereas, the following described land, to-wit: Southeast One-quarter
Of Section Two, Township 10 South, Range 16 East BM. Idaho.

in Twin Falls County, Idaho, is at present being injured by seepage; and, whereas,
the first party is about to bore one or more wells on or near said land under the
direction of Twin Falls Canal Company, ~~a drainage engineer~~, for the pur-
pose of determining the effect of such wells in draining said seeped land;

Now therefore, in consideration of the premises, it is hereby agreed:

(1) That the first party may at its option and under the direction of said en-
gineer bore one or more wells on or near said land, the number, size, depth, character,
and location to be designated by said engineer, that the first party shall have the right
to enter on said lands and do and perform any and all things reasonably necessary in
the judgment of said engineer in the furtherance of said work.

(2) The cost of boring said wells shall in the first instance be borne by the
first party; but, the second party agrees to reimburse the first party to the extent of
Fifteen dollars (\$ 15.00) per acre for any and all lands drained,
the number of acres, if any, to be determined by the said engineer.

(3) It is understood that the first party does not in any wise admit or ac-
knowledge that the seepage hereinbefore referred to or any part thereof, is the result
of any neglect or other act or omission on the part of the first party, or that it is in any
wise responsible for same, or that the first party in any wise admits or acknowledges
a liability on account of same, or liability or responsibility to install the said or any
system of drainage, or the right to second party to damage.

(4) It should be understood that should a flow of water be obtained by rea-
son of said well, the same shall be subject to the use of the first party for irrigation,
and second party will grant to the first party a free easement and right of way for
ditches or waterways necessary to carry said water to the place or places desired by
first party in order to utilize or dispose of same.

In Witness Whereof, the first party has caused the same to be executed by the
hand of its secretary; and, the second party has set his hand the day and year
first above written.

Ac⁴ 2-10-16.

Twelve wells have been drilled on this land. Eight of them being in the public road.

The depth of the outlets on this land is not satisfactory. It was impossible to lower the couler so much as had been planned owing to a large head of water coming down it.

The work done on this land looks as tho the result desired, have been attained.
