(17) (cont) wa DRAINAGE BY COOPERATION in waters to the place
desired by the Company in order to utilize or dispose
THIS AGREEMENT, made this 15th, day of Oct.,
1927, by and between

Blanche Galloway
party of the first part, called the "Owner" and the Twin Falls
Canal Company, an Idaho Corporation of Twin Falls, Idaho, party
of the second part called the "Company".

WHEREAS, the following described land belonging to the owner
to wit: 40, acres in the S 1/2 NW Sec. 9-10-14 E.B.M.
is at present being threatened by seepage, and
whereas, the owner is about to install a drainage system, com-
prising ditches, tile, drains, and drainage well on and near said
land under the direction of the Company's General Manager in an
effort to determine the effect of such works in draining said lands.

NOW, THEREFORE, in consideration of the premises it is here-
by agreed:

(1) That the Company may at its option and under the direct-
ion of said General Manager locate the lines upon which said drain-
age works shall be installed, the number, size, depth, character
and location of trenches, drain tile, wells, etc., and shall have
the right to enter on said lands and do any and all things reason-
ably necessary in the furtherance of said work. That any person or
persons whose land depend upon these works for drainage shall
have the right to enter on these lands to join to, reconstruct
and repair or maintain these drains.

(2) That no willows or poplar trees are permitted by the
owner to grow within one hundred (100) feet of these tile lines.

(3) That the owner will protect the tile lines against any
and all damage resulting from filling with roots or filling up
open outlets, or the breaking into the tile by surface waters or
from any other cause.

(4) That the owner shall deliver gravel and the tile, fill
and properly puddle the trench all under the direction of the
Company's General Manager.

(5) That the Company shall furnish tile and gravel at the
Company's yards at Buhl, and drill such drainage wells as
the Company believes necessary and excavate the trenches.

(6) That this contract is made for cooperation and division
of expense only. That the Company does not in any way admit or
acknowledge that the seepage here-in-before referred to or any
part thereof, is the result of any neglect or other act or
omission on the part of the Company, or that it is in any way
responsible for the reclamation of same, or that the Company,
in any way admits or acknowledges a liability on account of same or
liability or responsibility to install the said, or any system
of drainage.

(7) That should a flow of water be obtained by reason of
said wells and tile drains, the same shall be subject to the
use of the Company for irrigation, and the owner will grant to
the Company a free easement and right of way for a ditch or
water
