DRAINAGE AGREEMENT

THIS AGREEMENT, made this 16 day of Dec. 1948 by and between R. R. Coblantz and Lee Coblantz, ~~his~~ ~~wife~~ ~~of~~ ~~Filer~~ ~~Idaho~~ Flossie J. Coblantz, of Filer, Idaho.

parties of the first part, called the "Owner" and the Twin Falls Canal Company, an Idaho Corporation of Twin Falls, Idaho, party of the second part called the "Company".

WHEREAS, the following described land belonging to the owner to-wit: _____ acres in the West One-half ($W\frac{1}{2}$) South East Quarter ($SE\frac{1}{4}$) Section Thirty (30) Township Nine (9) South, Range Sixteen (16), E.B.M.

is at present being threatened by seepage and whereas, the owner is about to install a drainage system, comprising ditches, tile, drains and drainage well on and near said land under the direction of the Company's General Manager in an effort to determine the effect of such works in draining said lands.

NOW, THEREFORE, in consideration of the premiese it is hereby agreed:

(1) That the Company may at this option and under the direction of the said General Manager locate the lines upon which said drainage works shall be installed, the number, size, depth, character and location of trenches, tunnel, drain tile, wells, etc., and shall have the right to enter on said lands and do any and all things reasonably necessary in the furtherance of said work. That any person or persons whose land depend upon these ~~works~~ for drainage shall have the right to enter on these lands to join to, reconstruct and repair or maintain these drains.

(2) That no willows or poplar trees are permitted by the owner to grow within one hundred (100) feet of these tile lines.

(3) That the owner will protect the tile lines against any and all damage resulting from filling with roots or filling up open outlets, or breaking into the tile by surface waters or from any other cause.

(4) In backfilling trenches that have been excavated, the Company will make a reasonable effort to replace the material excavated, but shall not be required to remove any rock from the land which may be left on the surface of the ground after the trenches have been filled.

(5) That the Company does not in any way admit or acknowledge that the seepage here-in-before referred to or any part thereof, is the result of any neglect or other act or omission on the part of the Company, or that it is in any way responsible for the reclamation of same, or that the Company in any way admits or acknowledges a liability on account of same, or liability or responsibility to install the said, or any system of drainage.

(6) That should a flow of water be obtained by reason of said wells, drains, or tunnels, the same shall be subject to the use of the Company for irrigation, and the owner will grant to the Company a free easement and right-of-way for a ditch or water ways necessary to convey such waters to the place or places desired by the Company in order to utilize or dispose of the same.

(7) That the successors and assigns of the parties hereto are bound hereby,

IN WITNESS WHEREOF, the first party has set hand the second party has caused the same to be executed by the hand of its President.
