AGREEMENT

This Agreement, Made this 22nd day of December 1916
by and between the TWIN FALLS CANAL COMPANY, an Idaho corporation,
party of the first part, and W. M. Johnston

party of the second part, witnesseth:

Whereas, the following described land, to-wit: N^o 27th Tp. 10 S. R. 17 E. B. M.

in Twin Falls County, Idaho, is at present being injured by seepage; and, whereas, the first party is about to bore one or more wells on or near said land under the direction of _____, a drainage engineer, for the purpose of determining the effect of such wells in draining said seeped land;

Now therefore, in consideration of the premises, it is hereby agreed:

(1) That the first party may at its option and under the direction of said engineer bore one or more wells on or near said land, the number, size, depth, character, and location to be designated by said engineer, that the first party shall have the right to enter on said lands and do and perform any and all things reasonably necessary in the judgment of said engineer in the furtherance of said work.

(2) The cost of boring said wells shall in the first instance be borne by the first party; but, the second party agrees to reimburse the first party to the extent of Fifteen dollars (\$ 15⁰⁰/₁₀₀) per acre for any and all lands drained, the number of acres, if any, to be determined by the said engineer.

(3) It is understood that the first party does not in any wise admit or acknowledge that the seepage hereinbefore referred to or any part thereof, is the result of any neglect or other act or omission on the part of the first party, or that it is in any wise responsible for same, or that the first party in any wise admits or acknowledges a liability on account of same, or liability or responsibility to install the said or any system of drainage, or the right to second party to damage.

(4) It should be understood that should a flow of water be obtained by reason of said well, the same shall be subject to the use of the first party for irrigation, and second party will grant to the first party a free easement and right of way for ditches or waterways necessary to carry said water to the place or places desired by first party in order to utilize or dispose of same.

In Witness Whereof, the first party has caused the same to be executed by the hand of its secretary; and, the second party has set his hand the day and year first above written.

TWIN FALLS CANAL COMPANY,

By _____ Secretary

W. M. Johnston

Contract # 86
Wm. E. Johnston
Twin Falls Ida.
NE W. 27-10-17

Twenty (20) wells have been drilled and
the following tile laid on this land:-

Tile

8"

12"

15"

712 ft.

866 ft.

730 ft.

This work has been done since last
high water season. — Indications are
that it will be permanently dry.
13⁴ Acres were drained.

May 31-1918
