The Board of County Commissioners reconvened at 8:00 a.m. in regular session, pursuant to the recess of January 31.

PRESENT: Commissioner Jack Johnson, Commissioner Don Hall and Commissioner Brent Reinke.

ABSENT: None.

STAFF: Deputy Clerk Shannon Carter.

Commissioner Hall attended a REDS Committee Planning Session.

Commissioner Reinke attended a Board of Community Guardians meeting.

In the Matter of INSURANCE

In the Matter of CONSENT AGENDA

Commissioners considered the consent agenda; items that may be considered include status sheets, employee requisitions, alcohol licenses, Commissioner minutes and tax cancellations.

No items to consider.

In the Matter of JAIL

Commissioners discussed jail crowding concerns and possible solutions.

Doug Hughes, Jail Captain and the Commissioners discussed the request for proposal process for interim solutions to jail crowding concerns. Commissioner Johnson noted that the jail bond process would probably take approximately 4 years so the crowding issue would need to be addressed in the mean-time. Commissioner Hall noted that the Jail is not an allowed use in the current zone. It was previously allowed under a special use permit. To update the Modular units using the same footprint would only require a building permit. If the County wanted to change the footprint it would have to go through the city P&Z process which would push the project out even further. The options currently being considered are to replace the current modular units which would not change the existing footprint. There was further discussion among the group regarding safety concerns with the existing modular units.

Jeff Climer, Facility Manager reviewed the request for proposal that had been submitted to legal and discussed the proposed modular buildings. Mr. Climer noted that the modular buildings, according to specifications, could last up to 30 years. Commissioner Hall stated that this would be a temporary solution.

Commissioner Johnson made a MOTION to pursue the request for proposal to replace the three jail annex buildings pending legal review. Commissioner Reinke SECONDED. Discussion Commissioner Johnson these buildings are old and of need of being replaced. Commissioner Hall these buildings were a temporary solution 20 years ago, and were not intended to be a long-term solution so we need to do something for the safety of the inmates and jail staff. Motion Passed Unanimously.

In the Matter of PERSONNEL

Commissioners met with Grant Loeb, Twin Falls County Prosecutor to discuss an additional Civil Attorney.

Grant Loeb, Prosecutor reviewed his request for an additional Civil Attorney with the Commissioners. Mr. Loeb requested that a third position be added to the Civil office to help manage the case load that they have. There has been two persons in the civil office for over 20 years and the case load has significantly increased in that time. Commissioner Johnson noted that the Commissioners have seen a significant increase in the case load since he has been here. Commissioner Reinke expressed concerns with adding staff mid-budget year, but that he is aware that the attorney staffing needs to be increased. Commissioner Hall noted the need for attorney assistance with updating the Comprehensive Plan and County Ordinances is vital. The requests for legal advice have been slower in returning due to the high volume of requests. Commissioner Hall stated that he was in support of adding an attorney position to the Civil Office.

Commissioner Johnson made a MOTION to approve the request for a third attorney for the Civil Office of the Prosecutor's Office. Commissioner Reinke SECONDED. Commissioner Johnson I don't believe there is any question that we have need of another attorney in that office. Motion Passed Unanimously.
